

Medical Assistant Job Fair: Red Mountain Weight Loss

WHO:

Red Mountain Weight Loss

Since 1997, Red Mountain Weight Loss has become the leader in nonsurgical methods of sustainable medical weight loss, providing expert care under the direction of bariatric physicians. Founded by Dr. Suzanne Bentz, board-certified in obesity medicine and weight management, Red Mountain Weight Loss has provided professional care for tens of thousands of patients. Their medically-proven programs are individualized to meet each patient's needs and offer a unique collection of services and products for effective weight loss and weight maintenance. Red Mountain Weight Loss is the inventor of RM3, a comprehensive 3-step program featuring a patented prescription medication that offers rapid weight loss and lifetime maintenance, as well as RM Lifestyle, a flexible weight loss and maintenance program.
