

# S.T.E.M.ulate the Minds: Robotics Camp

Churchill Rec. Center  
6906 Churchill Way  
Each Monday beginning  
January 13<sup>th</sup> to March 3rd  
From 330p to 530p

This 6 week hands-on, interactive session  
will teach youth to build basic and mobile  
robots that emphasize the fundamentals  
of

Science, Technology, Engineering and  
Mathematics. (S.T.E.M.)
